

Opening Screen and Backstory

ICS200 Unit 2 Project

The Opening Screen should have:

- A title
- Your name
- A picture
- A clear colour scheme. (Colourful is NOT a colour scheme. Choose colours from your images)
- Clear evidence of the theme

The Backstory screen should have:

- A story outlining a who, what, why, where, when....
- The story should refer to the theme
- A reason or end goal for the activities
- A picture
- The same colour scheme as the first screen
- Consistent formatting with the first screen
 - Images: if you have photos on the first, you have photos on the second. If you have drawn images on the first, you have drawn images on the second.
 - Colours: button colours are the same
 - Colours: writing is the same colour
