Rock Paper Scissors Lizard Spock

Once you have finished coding the Rock Paper Scissors Game
(http://www.gorskicompsci.ca/ICS3U/Unit2/rockPaperScissors.java), make it into Rock Paper Scissors Lizard Spock.

The famous explanation is from Big Bang Theory: https://www.youtube.com/watch?v=x5Q6-wMx-K8

- You will need to adapt the user input line to show the new options.
- Then, adapt the winning lines to allow the new options. That should be 15 if lines (the 10 shown in the diagram + 5 ties).
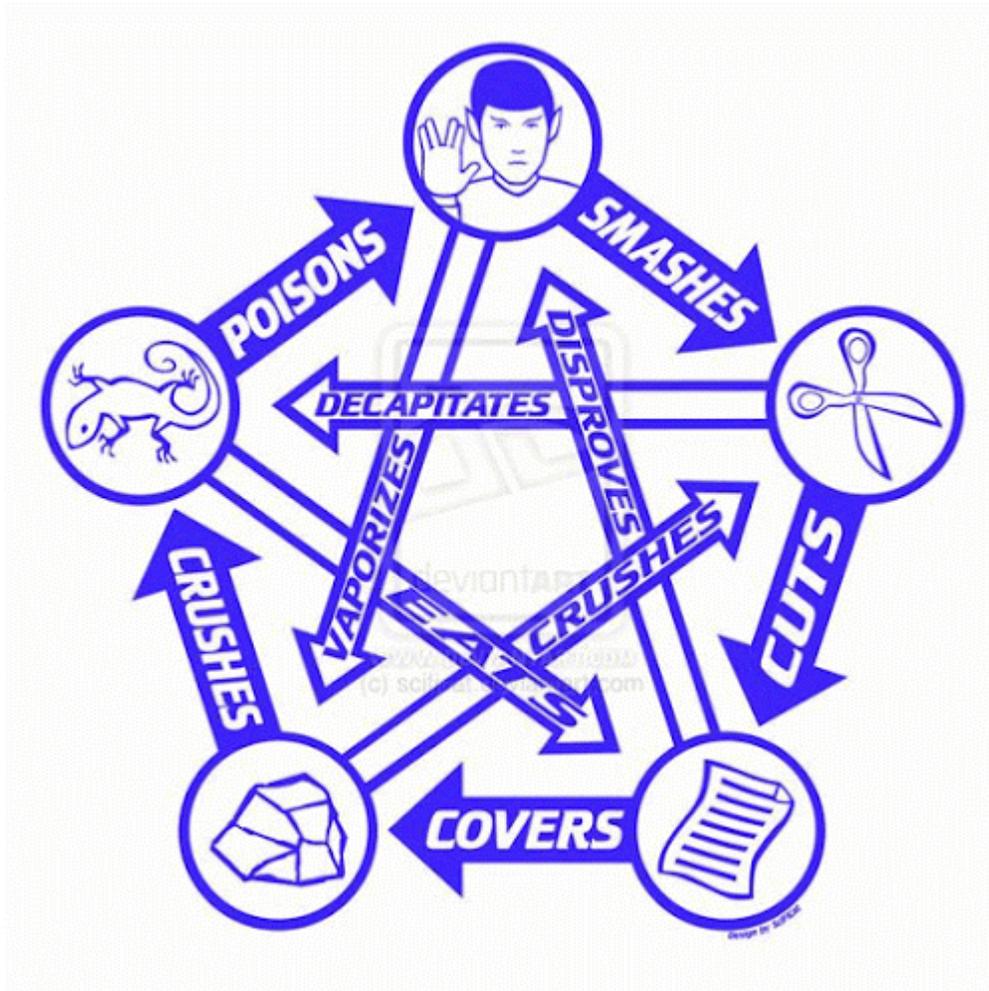

The hand gestures (Just FYI) are:
