

RPG First Playable Check A

Name:

Theme: :

Date:

What is present in your game?

* Not the final version, but it should be basically working.

* Framework is present

- Title Printed on the Screen
- Background/Introduction
- Task 1:

 - Has storyline
 - Has a task
 - Win or loss possible
 - Moves onto next

- Task 2:

 - Has storyline
 - Has a task
 - Win or loss possible
 - Moves onto next

- Task 3:

 - Has storyline
 - Has a task
 - Win or loss possible
 - Moves onto next

- Ending
- Death or Points

- How many ASCII Art?
- How many Extra Features?
- How many lines of code?
- Title comments (name, date, title)
- Any other comments?

How do you plan to add complexity?
