

All – Stars

Using lines, make these stars.

Starter Code

```
import java.applet.*;
import java.awt.*;
public class partA extends Applet
{
    public void paint (Graphics g)
    {
        g.setColor (Color.magenta);
        g.drawLine (10, 10, 50, 10);
        g.drawLine (30, 10, 30, 40);
    }
}
```
