

T-square Fractal

Make this fractal:

```
import java.applet.*;
import java.awt.*;
public class tSquare extends Applet
{
    public void paint (Graphics g)
    {
        setBackground (Color.black);
        g.setColor (Color.white);

        g.drawRect (0, 0, 30, 40);
    }
}
```
