Make a folder called:

## ICS4U\_Programming

**Or** ICS4U or Gr12Programming or Whatever you can remember.

Inside it make these folders:

1\_Strings

- 2\_MethodsRecursion
- 3\_TicDice\_Game
- 4\_ObjectsADT
- 5\_Card\_Game
- 6\_Arrays
- 7\_Android
- 8\_FinalProject

\* don't put spaces in the file names.

\* start the folders with the number so that they order correctly.

For this unit, save your work to the 1\_Strings folder. The other folders are for the later units.
