

Heart Patterns

Step 1:

- Draw a heart on the screen. Make it quite small.

Step 2:

- Make the heart into a method that can be drawn anywhere on the screen.

Step 3:

- This code makes the color a random shade of pink.

```
Color c = new Color ((int) (Math.random () * 100) + 155, 0, (int) (Math.random () * 100) + 155);  
g.setColor (c);
```
- Make the heart draw in a random shade of pink.

Step 4:

- Write two nested for loops to fill the screen with hearts.
