**PEG SOLITAIRE JUMPING GAME**

Survey the pond, then jump frogs until only ONE is left standing. 40 challenges range from easy to super hard. Start simple and grow your skills with each level. In no time at all you'll be the smartest frog in the pond!

**INCLUDES:** Game Grid with Storage Drawer  
 • 40 Challenges and Solutions (Easy to Super Hard)  
 • 12 Hopper Frogs

Game invented by Nob Yoshigahara.

**YOUR GOAL:** Hop until only ONE frog is left on the pond.

**SET UP:** Select a challenge card and place the frogs on the game grid lily pads as indicated by the illustration.

**HOW TO PLAY:**

1. Frogs move from lily pad to lily pad only in the directions indicated by the inscribed lines on the game grid.
2. You may only move by jumping over another frog on an adjacent lily pad, and landing on the next pad.
3. When a frog is jumped over, remove it from the pond.
4. No non-jump moves are allowed. Frogs may not jump over an empty lily pad. No frog may land on another frog. No frog may jump over two frogs at a time.
5. When only one frog remains on the pond -YOU WIN!
