Memory Diagram

- Make a memory diagram for your stack of cards.
- You only need to fill in the first 3 cards with an example.
- This will be handed in on paper.

For example:

Static | **Dynamic**

s

Count: 52

Data:

[0]
name: _ace_
suit: _heart_

[1]
name: _10_
suit: _clubs_

[2]
name: _2_
suit: _Spade_

etc. up to 52 cards...
