1. Trends over time

- Choose a term that relates to a topic that you might consider researching.
- Create a graph for it
- Printscreen the graph you make. Paste it into a word document and save it.

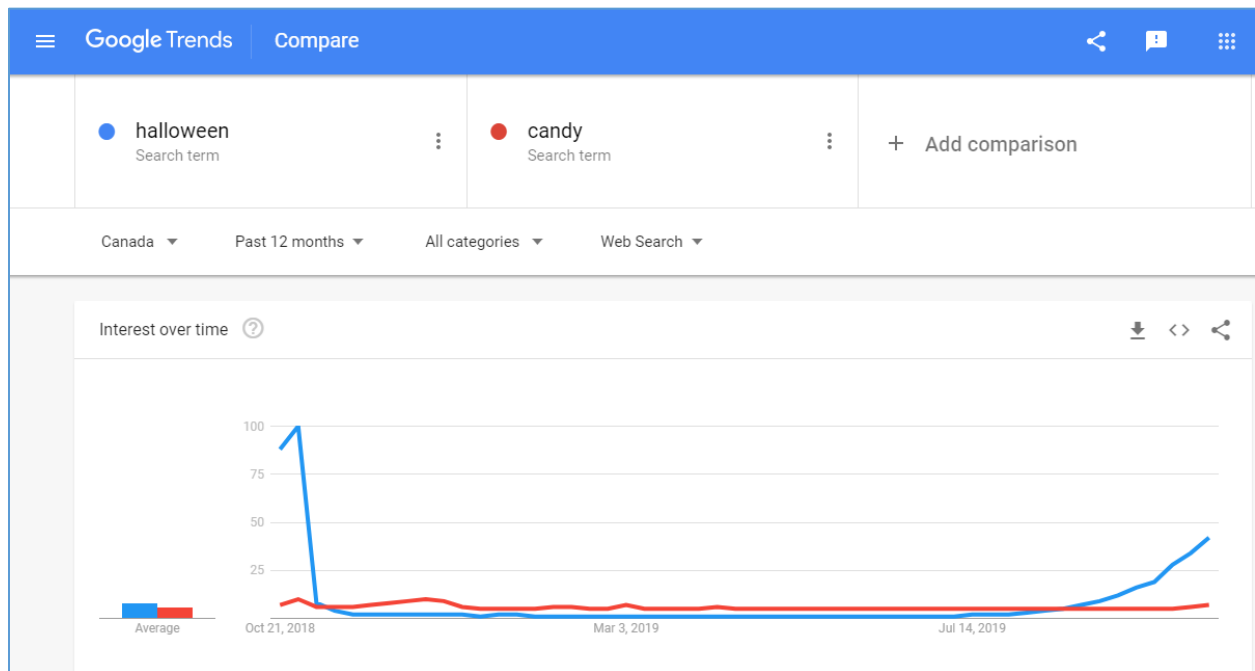

2. Maps of search terms

- Take one of your topics and printscreen the map.
- Add the map to your word document.

3. Correlation

- Choose 2 different terms that relate to a topic that you might consider researching.
- Create a graph for each one
- Printscreen the correlations and the graph you make. Paste it into your previous word document.

When you are done, you will have **3 graphs** in a Word Document.

Show Ms. Gorski when you are done.
