

Alpha Testing – DESCRIPTION Rubric

Project Creator:		Topic:	
Tester:		Date Tested:	

Project Creator: Choose your three best description slides. Write their types and slide number below. Tester: check off what is present.

Slide Number?	Slide Number?	Slide Number?
<input type="checkbox"/> 1. Font is big: really, really, really big. <input type="checkbox"/> 2. Colours of text match colour scheme. <input type="checkbox"/> 3. Font typeface is consistent across the presentation <input type="checkbox"/> 4. Pieces are aligned: centered, right or left. Things are purposefully placed on the screen. <input type="checkbox"/> 5. There is a picture. <input type="checkbox"/> 6. Picture relates to the specific content on this specific slide. <input type="checkbox"/> 7. Picture is big: really, really, really big. <input type="checkbox"/> 8. Picture goes with colour scheme. <input type="checkbox"/> 9. Picture matches style of other pictures. <input type="checkbox"/> 10. Complete thought in other though bubbles. <input type="checkbox"/> 11. No spelling errors. No underlines. <input type="checkbox"/> 12. No grammar errors. No underlines. <input type="checkbox"/> 13. Capitals handled well. <input type="checkbox"/> 14. No extra words. ONW. <input type="checkbox"/> 15. Slide is filled. No large empty spaces (unless it is an artistic choice)	<input type="checkbox"/> 1. Font is big: really, really, really big. <input type="checkbox"/> 2. Colours of text match colour scheme. <input type="checkbox"/> 3. ONW. <input type="checkbox"/> 15. Slide is filled. No large empty spaces (unless it is an artistic choice)

Tester note the following about the entire presentation:

Slides without pictures:	Slides that need to ONW (Omit Needless Words):	Slides that were confusing:
