

Information-Communication Technology Application

Introduction

1. The BCSS ICT-SHSM is admitting new students into the program.
2. Requirements for completion of the SHSM are: completion of 4 major credits, a grade 11 Math, a grade 12 English, 1 additional credit and 2 co-op credits. In addition, students will complete general and sector-related certifications, reach-ahead activities (visits to colleges and universities), and job-shadowing.
3. Space in the program will be limited. Completion of all requirements requires a high degree of commitment on the part of the student.
4. The application is due on Friday February 26, 2021 via email to amanda.gorski@peelsb.com. Applications can be submitted after this deadline. See any SHSM teacher to apply after the deadline.
5. Students will be informed of acceptance in late March 2021.
